Boil advisory in Stockton lifted

MEDIA CONTACT: Jon Ryk at 319-653-2135 or Jon.Ryk@dnr.iowa.gov.

STOCKTON—The boil advisory in Stockton was lifted June 17 after tests from water samples showed the water was safe to drink.

The advisory went into effect June 13 following a water main break. Breaks in water lines or losses in pressure can allow bacteria and other pollutants to enter the water supply.
